Disclaimer: Nova SBE reserves the right to make amends to the course list without prior notice, due to unforeseen circumstances.

(1) Section is referent to the class: TA means class A and TB means class B. This means there are some courses that have two classes and you have to choose the one you want to be part of. The course is the same, only different classes/schedule.

(2) “F” stands for Finance. If there is a cross in this column, it means this course is part of the Finance subject field.

(3) “E” stands for Economics. If there is a cross in this column, it means this course is part of the Economics subject field.

(4) “M” stands for Management. If there is a cross in this column, it means this course is part of the Management subject field.
